

## **Phyllis DeCola, RN, CPHRM**

---

**Manager Healthcare Risk Services  
Princeton Insurance Company**

Ms. DeCola serves as healthcare risk services manager with Princeton Insurance, where she oversees the development and provision of risk management services to physicians, hospitals and other healthcare entities. With over 25 years of experience in the healthcare industry, her background includes risk management consulting in the medical malpractice insurance forum; director-level positions in the hospital setting in the areas of risk management, quality improvement, utilization management, managed care contracting and discharge planning; as well as third-party reimbursement denial management and clinical nursing.

A registered nurse, Ms. DeCola received her Bachelor's Degree in Nursing Science from the University of the State of New York, Regents College, in Albany. She is a Certified Professional in Healthcare Risk Management (CPHRM).

### **About Princeton Insurance**

Headquartered in West Windsor, NJ, Princeton Insurance is the leading medical malpractice insurer in New Jersey, serving the state's hospitals and medical and healthcare professionals since 1976.
